RoHS Conformity Declaration

We hereby confirm the conformity of our products in accordance with the RoHS directive 2011/65 / EU or 2015/863 / EU of the European Parliament and of the Council on the restriction of the use of hazardous substances in electrical and electronic components and devices as well as compliance with the maximum permissible concentration in homogeneous materials in percentages by weight <0.01% of cadmium, (Cd) <0.1% of lead (Pb), mercury (Hg), hexavalent chromium (Cr6 +), polybrominated biphenyls (PBB), polybrominated diphenyl ethers (PBDE), diphthalate (DEHP), benzyl butyll phthalate (BBP), dibutyl phthalate (DBP) and diisobutyl phthalate (DIBP) according to Annex II of the directive.

Sefag Components AG hereby declares that all of our products, unless otherwise specified, RoHS compliant. Exceptions are possible according to Annex III of the directive.

REACH Conformity Declaration

As a manufacturer of electronic and electrical products, Sefag Components AG is a "downstream user" within the meaning of REACH regulation 1907/2006. Obligations due to the production and placing on the market of substances / chemicals for pre-registration and registration (ECHA) are not applicable to us. Our products represent "articles" and are therefore not be defined as a substance or preparation. In addition, under normal and foreseeable conditions of use, no substances are released from our products. Sefag Components AG is therefore neither subject to the obligation to register nor to create safety data sheets. In order to ensure our customers a continuous supply of reliable and safe products, we ensure that our suppliers meet all requirements with regard to chemical substances and materials, and therefore no substances from the candidate list of substances of concern (SVHC) for the manufacture of our products be used.

<http://echa.europa.eu/candidate-list-table>

We adhere to the obligations of the "ECHA guidelines for downstream users".
